REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The following is a statement of reasons for the indication of allowable subject matter: The instant application discloses an apparatus and method for determining a correct width of a bit of an input data stream. An exhaustive search of prior art records has failed to disclose an apparatus comprising "a first digital circuit configured to generate (i) one or more data signal, (ii) a first strobe signal , and (iii) a second strobe signal in response to the plurality of samples, the plurality of phases, and a correction signal as disclosed in claims 1 and 15. Prior art records also fail to disclose "a method for determining a correct width of a bit of an input data stream comprising the steps of: determining a current data width and current data type of a symbol in the input data stream in response to the input data stream, a plurality of phases of a reference clock, and a correction signal" along with the remaining limitations of claim 16.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
